### **Financial Aid Request**

The Oaks Academy is a ministry and non-profit organization supported solely by tuition and generous donors. Our scholarships are provided through kingdom-minded friends of The Oaks, and it is our privilege and duty to steward these gifts to the best of our ability for the blessing of our students. On that basis, we ask that you prayerfully consider that we have limited scholarship funds and a responsibility to meet the needs of as many families as possible.

Please tell our committee how much financial aid you believe is necessary to bridge your financial gap:

\$ \_\_\_\_\_

### **Scholarship Policy**

Financial aid scholarships are granted through determination and review of the Scholarship Advisory Committee made up of board members of The Oaks Academy. Your financial information will be kept private. No scholarships will be granted without a completed application and copies of your most recent W2 / 1099 forms. The Scholarship Advisory Committee may find it necessary to request further information for determination of applicant needs. We desire to be an organization known for generosity; however, please understand that a completed application does not ensure a granted scholarship. Written notification will be sent to all who have applied for financial aid. Scholarship applications are considered in the order they are received.

If you have any further questions, please contact Head of School Chad Ashby (cashby@oakspa.org).
